

ROAD WARRIORS

Are you a natural leader who loves being on the front lines of the action? Are you outgoing and looking for an additional challenge?

Do you want to take part in an elite team that specializes in ensuring safety in the festival's paths, roadways and parking garages? This key role at the festival allows you to have a serious impact by using your quick eye to alert patrons, staff or volunteers of any safety concerns. The Road Warriors are an elite team of volunteers that specialize in ensuring the safety of our patrons and volunteers so that they may make the most of their festival experience. The roadway that runs to and from the parking garage runs through the festival, and can pose a number of problems if not properly managed. As a team, we have to be alert, easily visible with reflective vests and in constant communication with our fellow team members, as well as backstage security, parking lot attendants and festival patrons. If you're looking for a close-knit team and an action-packed position, then Road Warriors is the team for you!

That's where you come in! With hands-on training, you will be responsible for making sure that all traffic going in and out of the festival is handled quickly and effectively, while maintaining the safety of the MANY pedestrians! This includes cars, tour busses, and artist transportation.

<p>Duties:</p> <ul style="list-style-type: none"> ● keep festival patrons safe by keeping them off the roadways ● direct the flow of traffic to keep the roadway as clear as possible in case of emergencies ● make sure cars are able to safely enter and exit the museum's underground parking garage by guiding them to and from the entrance with golf carts ● ensure museum patrons are able to access the museum on weeknights and that there is parking for them in the underground parking lot 	<p>Requirements:</p> <ul style="list-style-type: none"> ● must be 18 years of age or older ● Accessibility Standards Customer Service Training ● ability to work efficiently in a team setting ● Willing to work in all types of weather ● Willing to stand or walk for extended periods <p>Skills:</p> <ul style="list-style-type: none"> ● Effective communication skills ● Able to multi-task efficiently ● Highly attentive to detail ● Good organization skills
