

I.T. TEAM

Do you catch yourself whistling a tune while you work? When you see someone with outdated technology DOS it MHz your heart? Come join the IT crowd, where whizzy-wig!

Volunteers will help our Bluesfest Information Technology Team set up, maintain, and take down various I.T.- related equipment and systems at Bluesfest venues. Event set up will include set up of computers, IP cameras, VOIP telephones and our extensive wireless network. If you have a background either working in or studying I.T. support, we want to meet you! This is your chance to see and work with the technology that provides the backbone to our festival.
